

To Our Dear Grace Fellowship Family,

We can't begin to tell you how much your generosity means to us. We are humbled by your willingness to support our little ministry in such a huge way. Your support means the world to us, that you would come alongside us and make such a positive impact in the lives of the people we are trying to help. It's amazing to watch God work!

Currently your huge collective donation is allowing our residents to live rent free for the first two weeks of living at Jacob's House, allowing them "breathing room" from paying rent, which is a huge help to them directly. We have been able to place new refrigerators and tables and chairs from your generous "goods" donations. We will continue to update you on how your funds will be helping the ones who need Jesus the most.

Please continue to pray for all the addicts and alcoholics in and around our lives.

In His Service,

Thomas & Shawn Smith
